A LOCAL BUSINESS SUPPORTING LOCAL SCHOOLS

Ensure your students travel in comfort and safety aboard Tropic Wings Charters' fleet of vehicles, part of the Woodward Family CaPTA Group. Here are just a few reasons to choose Tropic Wings Charters:

- Modern fleet of Yutong vehicles fully equipped with seatbelts
- From 7 seaters up to 57 seaters
- Competitive rates
- The largest locally owned coach operator in North Queensland
- Servicing Far North Queensland schools since 1981
- Day tours or multi day charters available
- Specialising in sports carnivals, student transfers, school runs and educational excursions.

For booking enquiries contact:

Phone: 4041 9407

Email: charters@tropicwings.com.au

Website: www.tropicwings.com.au/cairns-charters

Australian Butterfly Sanctuary

With an excursion to Kuranda Village, your students can learn everything they need to know about butterflies and their life cycle. Situated a short drive from Cairns, Australian Butterfly Sanctuary is the largest butterfly flight aviary and exhibit in Australia. Home to over 2,000 magnificent tropical butterflies including the striking blue Ulysses and majestic green Cairns Birdwing, the sanctuary is an all-weather experience in the heart of Kuranda that specialises in educational tours.

Students will be enchanted by these elusive wonders of nature as they wander through the aviary's boardwalks and gardens and learn from dedicated guides about all aspects of butterfly life. It's a science lesson they will never forget. The students can use our state-of-the-art microscope to view the anatomy and wing structures of the butterflies. They will also be shown pupae for each species that is bred in the laboratory, caterpillars in all stages of growth, and may even see caterpillars hatching out of their eggs.

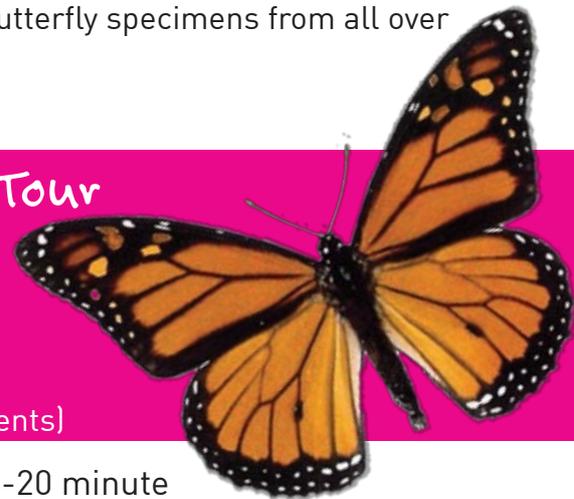

Moths, such as the silk moth and the Hercules moth, are also bred on the premises, so the students will be able observe them at various stages in their life cycle. Our knowledgeable guides will take your students through the aviary and breeding laboratory on a 30 minute tour, detailing a butterfly's behaviour. At the end of the tour students can also view the museum including our collection of butterfly specimens from all over the world.

Entry + Aviary Tour + Laboratory Tour

Price: Grade 1-6 \$7.50 PP
Grade 7-10 \$8.00 PP
Grade 11-12 \$12.00 PP

(All prices are for a minimum of 10 students)

COMING SOON!

OPTIONAL EXTRA BUTTERFLY FOOD PLANT WALK

Our guide will take the students on a 15-20 minute guided walk on the grounds and show them the species-specific butterfly food plants that the lab staff feed our caterpillars. The food plants are grown on site and students will be educated on the relationships between each food plant and its corresponding butterfly species. Students will be encouraged to plant these in their home or school gardens to attract butterflies to the local area.

LOCAL SCHOOL STUDENT GROUP PROGRAMMES 2019

WILDLIFE UP CLOSE

- Park admission
- Private Wildlife Presentation

Grade 1-6	\$9.50 PP

Please note: all prices above are for a minimum booking of 10 students.

WILDLIFE UP CLOSE: ENVIRONMENTAL ADAPTATIONS

Ever wanted to know why an animal looks the way it does or has a specific diet? Learning about environmental adaptations is made easy thanks to Cairns ZOOM & Wildlife Dome's *Wildlife Up Close: Environmental Adaptations*.

Included in *Wildlife Up Close: Environmental Adaptations* will be a 40 minute presentation on the Wildlife Terrace for the whole group. Our keepers can discuss the of snakes, lizards, crocodiles, frogmouths, frogs or koalas – just to name a few.

The presentation will focus on the different adaptations that animals have developed to help them survive in their habitat and within an ecosystem, including predator and prey. Students will all have an opportunity to touch and potentially hold some of the animals during and after the show.

They will then have a chance to wander around the wildlife park at leisure. If there is a specific topic or animal that you are discussing in class and would like our keepers to cover, just let our friendly reception team know when making your booking.

2019 Local School Group rates

Please note: all prices above are for a minimum booking of 10 students.

WILDLIFE UP CLOSE: LIFECYCLES

Australian animals have amazing and unique ways of reproducing and growing. This is something we call a Lifecycle. From frogs, to reptiles and marsupials, by bringing your students to Cairns ZOOM and Wildlife Dome you'll be able to learn about them all.

Included in *Wildlife Up Close: Lifecycles* will be a 30-40 minute presentation on the Wildlife Terrace for the whole group. Our keepers can discuss the lifecycles of snakes, lizards, crocodiles, frogs and koalas – just to name a few!

Students will all have an opportunity to touch and potentially hold some of the animals during and after the show. They will then have a chance to wander around the wildlife park at leisure.

For student groups wanting to learn about lifecycles we can tailor make a program to suit curriculum requirements.

Please note: all prices above are for a minimum booking of 10 students.

WILDLIFE UP CLOSE: WHERE DO THEY LIVE?

Ever wondered what lives in your backyard? Join us at Cairns ZOOM and Wildlife Dome to find out. Our keepers will introduce you to some of our most interesting local animals and tell you all about their habitats and why they live where they do.

Included in *Wildlife Up Close: Where do they live?* will be a 30-40 minute presentation on the Wildlife Terrace for the whole group. Our keepers can discuss the habitats of snakes, lizards, crocodiles, frogmouths and koalas – just to name a few.

Presentations will be personalised to each year group and specific class topics to help children to understand different animals features and what they need from their environment.

Students will all have an opportunity to touch and potentially hold some of the animals during and after the show. They will then have a chance to wander around the wildlife park at leisure.

ZOOM STARTER PACK

Cairns ZOOM & Wildlife Dome is the world's first Challenge Ropes Course in a wildlife exhibit. Located in the heart of the Cairns CBD on top of the Casino, it is an all-weather experience offering a range of physical and adventurous activities for students.

With the *ZOOM Starter Pack* students can experience adventure on the Mid-ZOOM and Hi-ZOOM courses, consisting of 65 elements including crossings, tunnels, a climbing wall, and four ziplines at various heights and lengths, including one directly over Goliath, our 4.5 metre saltwater crocodile.

For the thrill-seekers amongst the group, PowerJump is an exhilarating free-fall adventure with a 13 metre drop. After a rapid descent, the power fan provides a safe, gentle landing at the bottom.

Students can also step outside the glass walls (and their comfort zone!) to try the external Dome-Climb. Offering spectacular views of the city, the Coral Sea, and the surrounding landscapes, it's an experience not to be missed. In addition to the ZOOM course students have full access to the park and its wildlife exhibits.

Bring your students to visit the award-winning Rainforestation Nature Park set on a 100 acre (40-hectare) property located in the middle of Kuranda's World Heritage Rainforest, for an All Australian Experience. Part of the CaPTA Group, the locally owned and operated park offers unique educational experiences to students visiting the park.

Army Duck Tour (45 Minutes)

Students will board an amphibious World War II Army Duck for a land and water adventure through the rainforest, as their Duck Captain identifies and explains fascinating plants including ferns, orchids, strangler figs and the infamous stinging tree. Students will keep an eye out for turtles, fish, eels, birds, pythons and other reptiles on land.

Pamagirri Dance Show (30 Minutes)

The Pamagirri Aboriginal Experience offers students the opportunity to see traditional dance performances in the setting of the beautiful Rainforest Amphitheatre. This cultural experience is not only educational but fun with the opportunity for willing students to get up on stage and join a dance.

Dreamtime Walk (30 Minutes)

To learn more about local Indigenous culture, students partake in a Dreamtime Walk along the Rainbow Serpent walkway. They watch a display of traditional spear throwing and didgeridoo playing. They can also learn the art of throwing a boomerang and try it out for themselves. This smaller group experience allows students to freely ask their guide any questions they may have.

Wildlife Interactive Tour (30 Minutes)

The Koala & Wildlife Park has a plethora of native Australian species to see, including dingoes, wombat, lizards, snakes, a tree kangaroo and a cassowary. Rainforestation is the only wildlife park in North Queensland to have Tasmanian Devils. A highlight for students will include Jack the Ripper, one of the largest crocodiles in captivity. Coming in at over 5 metres in length and weighing almost a tonne, he can be viewed from the safety of our elevated boardwalks.

2019 Local School Group Rates

Grade 1-6 \$19.50 PP

Grade 7-10 \$20.40 PP

Grade 11-12 \$29.50 PP

*All prices are for a minimum group size of 10 students

Optional Extras :

Rainforestation also offers student groups an opportunity to participate in boomerang or canvas art painting. It offers a chance for students to show their creative side and take a souvenir back home or should they wish to make one large canvas, it can be painted and taken back to hang at the school. It takes just half an hour to turn a blank boomerang or canvas into their own piece of work, with close guidance from Pamagirri Aboriginal artists.

✉ res@rainforest.com.au

☎ 4085 5008

🌐 www.rainforest.com.au

At Rainforestation Nature Park, set in the midst of World Heritage Listed Wet Tropics Rainforest, students can take their own Dreamtime Discovery. This programme allows students to watch and participate in local Indigenous culture.

Pamagirri Dance Show (30 Minutes)

Formed in 1993, the Pamagirri Aboriginal Dance Troupe perform a dance show in the rainforest amphitheatre, which seats approximately 400 people. The rainforest provides a natural backdrop for the show and serves as the theatre walls. The sounds of the forest provide accompaniment to the haunting sounds of didgeridoo, chanting, and clap sticks while the dances depict the unique animals, traditional history and food gathering of this ancient culture.

Dreamtime Walk (30 Minutes)

This guided tour along an all-weather walk-way, gives insight into Aboriginal traditions and beliefs, and how several ancient implements were used.

After a Boomerang throwing demonstration and lessons from their guide, students will be ready to test their skills with this ancient Aboriginal implement. Next their guide will explain how the didgeridoo is made and used in ceremonies, then will demonstrate techniques used to play this ancient instrument. Students will also be amazed at the distance their guide can throw spears using a Woomera during the spear throwing demonstration.

Aboriginal Face Painting (15 Minutes)

Many Aboriginal communities have been painting their bodies for thousands of years. During this face painting session, students learn about the significance of body painting and experience it first-hand.

2019 Local School Group Rates

🌐 www.rainforest.com.au

Rainforestation Nature Park set in the midst of World Heritage Listed Wet Tropics Rainforest is the ideal location for students to learn and appreciate the rainforest and wildlife from our region.

Rainforest Tour (1 Hour)

This experience combines an exciting rainforest tour with the opportunity for students to be hands on planting trees.

Students will board the Army Duck here for a tour on an amphibious World War II Vehicle exploring the Rainforest. As they traverse the property, their guide will point out and explain ferns, orchids, strangler figs and stinging trees, as well as birds such as the Azure Kingfisher and a host of other animals and reptiles. As the Army Duck splashes into the lake, with the propeller engaged, it cruises up to the water's edge, while turtles, fish and eels swim up close. Students will keep an eye out for water dragons or pythons sunbaking or slithering up trees.

Along the track, the Army Duck will make a stop allowing the students to disembark and begin their tree planting experience. Students will be planting locally sourced native rainforest species selected for their ability to attract wildlife. Their driver will guide them within the rainforest providing instructions of how to plant the tree and teach them about the importance of reforestation.

Wildlife Park Interactive Tour (30 Minutes)

Students will join a guided tour with our experienced wildlife keepers and see crocodiles, kangaroos, wallabies, snakes, dingoes, a tree kangaroo, a cassowary and the only Tasmanian Devils in North Queensland. They can learn more about our involvement in the 'Save the Tasmanian Devil Foundation' and even hand feed kangaroos and wallabies. While getting up close to our resident animals, the group will be learning from a dedicated wildlife keeper.

2019 Local School Group Rates

Grade 1-6	\$25.00 PP
Grade 7-10	\$25.80 PP
Grade 11-12	\$33.00 PP

*All prices are for a minimum group size of 10 students

Optional Extras

Book your students a 30-minute Eco-Sustainability Tour covering some of our many environmental practices and initiatives Rainforestation has implemented, including: waste water treatment facility, self-sufficient water supply, worm farm vermiculture facility, organic fruit and vegetable produce and recycling procedures and initiatives.

Or why not add a Behind the Scenes Wildlife Tour including a more in-depth wildlife encounter. Visit koala leaf and food preparation areas, learn about breeding and conservations programs and how our animals are cared for. Conclude your visit inside a koala enclosure, getting up close to pat and learn more about this Australian icon. Snake holding option also available (subject to availability).

🌐 www.rainforest.com.au

At the award-winning Rainforestation Nature Park, students can experience Indigenous culture in an authentic setting in the midst of World Heritage Rainforest.

The Rainforestation Nature Park first introduced the Pamagirri Aboriginal cultural experience in 1987. Pamagirri means "silent snake", and is symbolic of the Rainbow Serpent, responsible for the creation of the mountains and rivers in Aboriginal Dreamtime stories. This unique tourist attraction is situated five minutes from Kuranda Village and offers numerous educational experiences in Indigenous culture.

Dreamtime Walk (30 Minutes)

Students partake in a Dreamtime where they watch a display of traditional spear throwing and didgeridoo playing. They can also learn the art of throwing a boomerang and try it out for themselves. This smaller group experience allows students to freely ask their guide any questions they may have.

Pamagirri Dance Show (30 Minutes)

Formed in 1993, the Pamagirri Aboriginal Dance Troupe performs a dance show in the rainforest amphitheatre, which seats approximately 400 people. The rainforest provides a natural backdrop for the show and serves as the theatre walls. The sounds of the forest provide accompaniment to the haunting sounds of didgeridoo, chanting, and clap sticks while the dances depict the unique animals, traditional history and food gathering of this ancient culture.

Pamagirri Rainforest Walkabout (45 Minutes)

Students join their Pamagirri Aboriginal Guide as he shares a personal insight into his ancient surviving culture, and its connection with the oldest surviving rainforest in the world. This in-depth and interactive experience will teach students about the traditions that were learnt in the wilderness on the spiritual transition into manhood. They will hear about the customs that were passed down, such as totems and body painting, before embarking on a guided walk to learn about survival in the rainforest – the plants, fruits and berries used as bush tucker and remedies, as well as traditional shelters, artefacts and implements.

Aboriginal Face Painting (15 Minutes)

Aboriginal body painting or art is an ancient tradition which carries deep spiritual significance for the Australian Indigenous People. Their cultural rituals including body painting differ between Aboriginal tribes and topographic location. Students can learn about these traditions and experience face painting first hand.

2019 Local School Group Rates

Wildlife Habitat Local School Student Programmes 2019

Award winning and located in Port Douglas, Wildlife Habitat provides students with the opportunity to experience some of Australia's iconic native wildlife in the environments of Woodlands, Wetlands, Rainforest and Savannah. Providing an opportunity to get up close and personal with these wonderful animals, we understand the importance of education and learning to ensure observation, appreciation and conservation for the future.

During their guided tour with one of our experienced wildlife keepers, students will make their way through the park's ecosystems and be given the opportunity to hand feed kangaroos and wallabies, visit cassowaries, and seek out Lumholtz's Tree Kangaroo. All this activity makes for hungry minds and hungry tummies and students can have the chance to enjoy Curlew Café and the famous Breakfast with the Birds or Lunch with the Lorikeets.

ENTRY + GUIDED TOUR

Australia's leading environmental wildlife experience, the Wildlife Habitat, offers unique educational adventures for students of all ages with their excursion programs.

Wildlife Habitat takes participants beyond the classroom with a "hands on" teaching style. This allows students at all levels of education a chance to observe a huge range of flora and fauna up close in a spacious setting.

Our 30-minute interactive tour, led by one of our passionate wildlife keepers, can be tailored to link to your current curriculum. We understand specific discussion themes and topics are dependent on year levels.

Please advise us of your learning goals so we can ensure your class achieves the most from their time with us. Students are immersed in interactive ecosystems that will inspire educational enthusiasm as they learn about native wildlife, habitats, evolution, adaptation, and conservation.

Students are immersed in interactive ecosystems that will inspire educational enthusiasm as they learn about native wildlife, habitats, evolution, adaptation, and conservation. This tour takes an exclusive peek into the behind-the-scenes world of our wildlife care centre - TARC (Tropical Animal Rehabilitation Centre). TARC is a not-for-profit initiative of the Wildlife Habitat. TARC's focus is commitment to wildlife conservation and rehabilitation.

The goal of this facility is to provide the best possible care to displaced, injured, sick or orphaned native Australian wildlife, whilst continuing involvement in conservation programs and research in conjunction with Wildlife Habitat. This tour allows students a fascinating insight into the care of these animals brought into the centre by the general public.
